Zur Brücke

Hotel - Restaurant

Kevelaer

From the Time of Frederick II the Great

Welcome to our house, a former oil mill, built 1783 in Kevelaer on the Lower Rhine, Germany. For several generations we are serving our guests by providing the best of advice and help.

The Sürgers-Bollen Family

The hotel features **quiet and comfortable guest rooms** with private bathroom and modern amenities including TV with digital satellite receiver, telephone, and wireless Internet access. We are sorry, but pets are not allowed.

The **restaurant** offers a fine German-French cuisine with local specialities, highlighted by several restaurant guides, and a wine list with high-class wines.

If the weather allows you may enjoy the **terrace in the garden**.

On-site parking is available free of charge.
